As a foster family I agree to provide nutritious meals, fresh water, grooming, a safe environment, and appropriate shelter for this foster dog. I will not leave my foster dog tied or locked up in any circumstances. I agree to arrange my family's schedule so that the dog is seldom left alone for more than eight hours at a stretch. I agree to play with, pet and give attention to my foster dog when I am home. I agree to let Pekingese Haven know if there is any change in the health of the dog and will get clearance before I get anything other than emergency care for my foster dog. I will check my foster dog regularly for any signs of illness. I will do frequent flea and tick checks on my foster dog. I understand that the Peke needs time for adjustment and I am willing to take to play an active role in the rehabilitation of the Peke.
